UE: Monday 13:15 - 14:45 PK 11.1 (\*1. UE on Thursday, 21. 4. 16:45 – 18:15 room IZ 161)

### Final Exams take place in the 30<sup>th</sup> calender week (tentative schedule)

Homework is due on Mondays before the lab exercises until 13:00 – hand them in using the boxes opposite room IZ 252 (Abteilung Algorithmik) or before the lab starts.

The exercises will be discussed in the same week, hence late delivery will not be accepted.

Homework will be returned in the lab exercises two weeks later.

You must attain at least 50% of the points for the exercises and present one (part of an) exercise during the lab.

Exercise sheets and other info can be found on the homepage for the lecture:
