Android Labor #8

ALL OF 7

Sebastian Schildt, Björn Gernert

Reviews incoming, 2014-12-04

Requirements

Content

- Status of your application
- Goals you have achieved
- What have you learned
- Encountered pitfalls
- ... and their solutions
- Interesting things for other groups
- DEMO!!!

Requirements

Time management

- Five minutes per person for every group
- Plus additional 5 minutes as backup time / for questions
- Example:
 - Your group consists of three persons:

$$3 * 5 \text{ min} + 5 \text{ min} = 20 \text{ min}$$

- Make sure that everyone of your group presents something!
